Reception Class – Eco Centre Trip to St Christopher School

Dear Family

We have accepted a special invite from St Christopher School to visit their Eco Centre so children can meet a variety of animals.

Children will go in groups of twenty and will be accompanied by staff. They will enjoy;

- A meet and greet with alpacas and goats, with an opportunity to feed them and take them out for their daily exercise
- Close up encounters with the small animals including rabbits, ducks, chinchillas, hamsters, guinea pigs, sugar gliders and degus.

These trips are free of charge for families with St Christopher school also providing transportation via minibuses.

Trips take place during the mornings of the 1st, 8th and 15th October. Children should arrive at school as usual and will be back in time for lunch. Please ensure children have warm coats and suitable footwear as some of these activities are outdoors.

No reply is required for this trip as it's covered by our Local Trips Consent. If you have any questions or concerns, please speak to the school office.

Kind regards

Tracey Mountney – Early Year and Foundation Stage Leader
