5th June 2026

One World Week

Dear Families

Week commencing 15th June is 'One World Week'. This will be a celebration of our cultures as part of our learning on diversity and inclusion.

In addition to special learning activities we have a programme of celebrations including;

Monday 15.06.26 - Casual Day

Children can wear clothes from their culture, clothes that celebrate their nationality or clothes from a group or club they belong to. If they would prefer, children can also come in casual clothes of choice or their usual school uniform.

Thursday 18.06.26 - Food Fair

Our after school food fair is for families to bring and share food that they enjoy at home. Children will also be making and baking food in school to share with families.

Families wishing to provide food please drop food off during the day to the school office. Avoid nuts and provide lists of ingredients so we can keep our children with allergies safe.

If family members would like to share something from their culture with children (e.g. stories, music, traditions) please speak to your class teacher. We would love to have the whole school community involved in these celebrations.

Kind regards

Melissa Peacock - Headteacher
