

16th July 2026

Dear Families

We would like to say a huge thank you for your continued support this last school year. We have loved running our fundraising events and really hope you have enjoyed them too!

We are pleased to report that we have been able to follow through with the contribution towards the Year 1 outdoor canopy which will be built this summer ready for the children to use in September.

In addition to this, we have been able to fund a new outdoor playhouse for Nursery as well as other important resources for the children.

In September we will be starting to plan our annual AGM where we will be seeking new candidates to take on the roles below.

New candidates required for -

- Chair
- Vice Chair/Co-Chair
- Secretary

As much as we have loved our time with the Friends of Hillshott, our children are moving on to junior school, so it is time to pass the baton to someone new. If you would like any information about these roles or about joining the FoH team in general, please don't hesitate to email us at friendsofhillshott@hotmail.com.

We hope everyone has a wonderful summer, and the children thrive in their new class or new school.

Hannah Bennett and Heather Burgin.

Co-Chairs of Friends of Hillshott
