Family Questionnaire 2026 Summary

Dear Families

Thank you to everyone who took part in our recent family questionnaire. The school had 196 pupils at the time of the questionnaire and 25 families responded.

The responses were very positive as shown from the below table. Behaviour continues to be a focus and strategies for helping children to cope with their emotions are in place for every child across the school. We have a new approach to behaviour known as 'Positive Regard'. Please see the Behaviour Policy on the school website for more details.

The responses provided by families will feed into the School Self Evaluation to evidence what we are doing well and support our areas for development.

You told us that our communication channels are effective with an equal score each for emails, Tapestry and Newsletter.

The most common words used to describe our school were nurturing, supportive, caring, friendly, fun, kind and community. You also told us we are a 'very good school', where we 'look out for the children and their development' who 'learn, grow and succeed'.

Kind regards

Melissa Peacock - Headteacher
