One World Week Learning

Nursery learned about the different continents across the world and made a Caribbean salad to share

Reception learned about a different country each day and used their construction materials to build famous landmarks

Year 1 learned about Australia through the dreamtime story 'Tiddalick the Frog'

Year 2 celebrated the different nationalities of the children in each class. This included building Chinese dragon boats and a visit to the splash park to test them out.

Thank you to FOH for funding the ingredients for the children's Food Fair cooking.
